

JOIN US AS A SPONSOR FOR THE 5TH ANNUAL
COCKTAILS IN HAVANA

Dear Friends,

Over the past 31 years, Habitat for Humanity of Ventura County has repaired hundreds of homes and built 56 new homes, working in partnership with families in need of safe, decent and affordable housing. **We are now raising funds for homes 59 and 60.**

We invite you to be a part of our next big fundraising event on Friday, August 21, 2015... our 5th annual Cocktails in Havana. This has become a much anticipated event in the local real estate community and is extremely well attended every year.

Today, we are reaching out to our local businesses and community leaders for sponsorship opportunities, as well as donations of food, alcohol, cigars, or entertainment... to be enjoyed by over 500 guests! To support your marketing efforts, you may bring company flyers and signage, menus, business cards, and other promotional items. We will provide all serving needs for our guests, including tables, chairs, plates, and utensils.

Please consider how you can contribute and help build the next Habitat for Humanity home for a Ventura County family living in substandard housing.

Thank you for your help and consideration.

For additional information, please contact Peter and Kristina Kalaydjian or Habitat for Humanity.

FACT SHEET

ABOUT HABITAT FOR HUMANITY OF VENTURA COUNTY

Habitat for Humanity of Ventura County is a locally-run and locally-funded affiliate of Habitat for Humanity International. Over the past 31 years, 56 new home builds have provided homeownership opportunities for families in need and hundreds of homes have been repaired, providing a safe, clean, decent living environment for lower income homeowners. The newer Preserve a Home program is being embraced by several cities and the County of Ventura as they see the positive impact Habitat has on families, neighborhoods and the community overall. At Habitat for Humanity, we believe that everyone everywhere deserves a decent place to live. For Habitat's new home program, low- to very-low income families are selected based on their need for housing, ability to repay a zero-interest, no-profit loan, and willingness to partner with Habitat for Humanity.

We offer a "hand up," empowering families who are willing to work hard to achieve their dream of homeownership. Each Habitat for Humanity homeowner invests hundreds of hours to help build their home, and then purchases it with an affordable, zero interest mortgage. Habitat currently has enough donated properties to build 28 simple, decent homes for families in Ventura County. To build these homes we need donations of time, talents and funding from faith groups, businesses, and individual donors in order to complete our next 8 homes on Trinity Lane in Santa Paula. For more information about Habitat for Humanity of Ventura County, visit www.habitatventura.org or call 800-485-6065.

Since 2011, real estate professionals have raised \$143,000 to build homes in partnership with Habitat. All funds raised go directly to Habitat for Humanity of Ventura County to fund home building.
